SUBJECT: 13085632

AUTHOR: HEIDELBERG, M.

On 08132013 at approximately 2342 hours, Officers Heidelberg 952 and Scott 1040 were dispatched to Wilkinson Middle School, 2100 Crest Park Dr., Mesquite, Dallas County, TX 75149 reference a disturbance in progress. The caller advised white male was rolling around in the grass in front of the school, screaming. The caller further advised there was a second white male subject that left the first subject on the ground.

Officer Gafford 767 was in the area when the call was dispatched. Officer Gafford arrived at the location on the southeast corner of the school. Officer Gafford shined the spotlight of his marked patrol unit toward the building and observed a white male in the bushes. Officer Gafford exited his marked patrol unit to contact the subject. As Officer Gafford walked toward the subject, the subject appeared to tense up and began moving toward Officer Gafford in an aggressive manner. The subject continued toward Officer Gafford. Officer Gafford observed that the subject did not appear to have control of his mental and physical faculties. Officer Gafford also observed the subject's left side of his forehead was swollen and bleeding. Officer Gafford gave the subject verbal commands to lay down on the ground. The subject refused and continued toward Officer Gafford. Officer Gafford then attempted to deploy his department issued Taser X2. The cartridge failed to deploy, but did began to arc. Officer Gafford then observed the subject stop and lay down on the ground. Officer Gafford continued moving toward the subject. After the initial arc stopped, the subject then began to stand up. Officer Gafford was able to detain the subject on the ground.

Sgt. Houston 821 was also in the area and arrived on scene as Officer Gafford approached the subject. Sgt. Houston assisted Officer Gafford and was able to place hand restraints on

the subject and detain him on the ground until other responding officers arrived on scene.

Officers Heidelberg, Scott, and Fyall arrived on scene. Officers observed one male subject detained on the grass in front of the school. Officers assisted in detaining the subject. Officers then requested an ambulance to the location to check on the subject.

Officer Scott located a wallet in the subject shorts pocket. The subject was identified by TX DL# 29430396 as Dyer, Graham Edward (W/M 08201994).

While waiting on the ambulance to arrive, Dyer continued to scream uncontrollably and began to slam his head onto the ground multiple times. Officers had to gain control of his head to prevent any further injury. As officers waited on the ambulance to arrive on scene, a second subject approached the scene from the back side of the school. Officer gave the subject verbal commands to sit down on the ground. The subject complied. Officers further observed the second subject also appeared to not have control of his mental and physical faculties. Sgt. Houston contacted the subject and placed him in hand restraints. Once detained, the subject identified himself as Carpenter, Josef (W/M 12291993).

Carpenter advised he was friends with Dyer. Officers asked Carpenter what they had taken. Carpenter advised officers that both he and Dyer had taken acid.

Mesquite Fire Department Ambulance A5 arrived on scene to check on both Dyer and Carpenter. Both Dyer and Carpenter were medically cleared to be transported to the Mesquite Jail.

Officers believed Dyer and Carpenter to be intoxicated to a degree that they both posed a danger to themselves and/or others if not immediately taken into custody.

Officers placed Carpenter in the back seat of Officer Scott's marked patrol unit (240).

Officer then attempted to place Dyer in the back seat of Officer Heidelberg's marked patrol unit (P134). Dyer could not calm down and walk to the patrol unit, therefore officers had to carry Dyer to the patrol unit. Once at the back seat of the patrol unit, Officers Heidelberg, Scott, Fyall, and Gafford attempted to place Dyer in the back seat. As officers had Dyer leaned against the vehicle, Dyer attempted to slam his head against the trunk of the patrol unit multiple times. Officer Fyall placed his left forearm across the right side of Dyer's face, and held Dyer's head against the trunk of the patrol unit to prevent him from further injuring himself. At this point, Dyer opened his mouth and bit down on Officer Fyall's left ring finger, just above his first knuckle, breaking the skin and causing Officer Fyall's finger to bleed.

Once officers were able to gain physical control of Dyer, he was placed in the back seat of the patrol unit. While sitting in the seat with his legs out of the vehicle, he raised his legs and kicked Officer Fyall in the chest. Officer Scott gained control of Dyer from the opposite side of the patrol unit and pulled him into the back seat of the patrol unit. As Dyer laid across the back seat, he again began kicking his legs and feet at Officer Fyall. Officer Fyall deployed his department issued Taser X2 and delivered a drive stun to Dyer's outside right calf for approximately five seconds. Sgt. Houston retrieved a set of nylon leg restraints and officer were able to secure him in the back seat of the patrol unit.

Officer Heidelberg left the scene and began transporting Dyer to the Mesquite Jail. Officer Scott transported Carpenter to the Mesquite Jail. Officer Gafford followed officers to the jail.

While en route to the jail, Dyer began slamming his head repeatedly into the cage of the patrol unit. Officer Heidelberg had to stop in the 1500 block of N. Galloway Ave. and restrain Dyer with the assistance of Officers Scott and Gafford. Officer Heidelberg then continued to the Mesquite Jail.
